Health Department, Khyber Pakhtunkhwa, Peshawar

### Tentative Draft Bid Evaluation Report (BER)

**WHEREAS** preliminary detailed technical evaluation reports of all the bidders for MCC competition 2018-19 have been communicated to all the individual concerned bidders for their information and necessary action in public interest; and **WHEREAS** many of the bidders have responded to this office in relation to their bids; **NOW THEREFORE**, this draft tentative bids evaluation report containing cumulative technical score (out of a Maximum technical score of 70 marks) for each quoted item is hereby widely shared through the official website of Health Department, KP in public interest with the following explanations for further necessary action by the concerned bidders:

1. This list is a draft tentative Bid Evaluation Report (BER) evaluated by technical evaluation (T&E) committee to serve the only purpose of voluntary disclosure of information to facilitate ensuring all the more transparency and equity in the bidding process by providing equal opportunities to all concerned bidders by enabling them to have access to information related to their bids in the fairness of justice and competition; and
2. **This list will be kept on this official website till 4.00 p.m. on Monday, 9<sup>th</sup> July 2018; and**
3. This draft technical evaluation report (BER) is only an information sharing document as explained above and not an approved legal document to have any authority or weightage or value for any legal proceedings in any court of law or any other forum; and
4. Although every possible effort has been made to prepare this draft tentative BER, the same is being shared to further eliminate the possibility of any error, omission in terms of company name, generic name, dosage form, strength and figures or words or other details related to the technical evaluation of items quoted by the concerned bidders; and
5. It is stressed to please note that this list is in no way a final approved Technical evaluation report to be used as an evidence or argument for technical qualification of firms against the products for rate contracting from the lowest bidder or award or justification of supply contract / order to the selected bidder by the procuring agency; and
6. All possible efforts have been made to reduce human errors and omissions but still inadvertent errors and omissions may possibly be expected in this BER. All the bidders participating in this bidding competition are expected and requested to thoroughly examine this bid evaluation report and point out any error or omission in terms of quoted Generic name, unit price, names, strength, quantity, total marks obtained, etc. of products or any other details which have wrongly been entered into this list.
7. **Any feedback related to errors and omissions must reach the office of Deputy Director Prequalification / MCC at Directorate General Health Services, Khyber Road, Peshawar not later than 4.00 p.m. on Monday, 09 July 2018 in written form duly signed and attested by the responsible relevant person of the bidding entity. The feedback may also be communicated through email to Deputy Director Prequalification at the email address [ddpreg@gmail.com](mailto:ddpreg@gmail.com); and**
8. This list is only meant to rectify / correct the mistakes, if any that might have occurred during the data entry process for the already submitted technical bids before placing the same before the Selection & Rate Contracting Committee MCC for its final approval. Therefore, no new or revised data in technical score, information, claim, explanation, etc. will be entertained for entering into and / or in any way affecting and / or manipulating the list for the benefit to bidding competition by any bidder; and
9. All the bidders are welcome to comment on any deficiencies etc. in this list as related to their own quoted items only and not on their competitors and / or any other bidders in this list for any other product quoted by some other bidder; and
10. Any comments, feedback etc. received after the above mentioned cutoff time and date (Para-7 above) due to any reason, whatsoever, will not be considered and the so finalized bid evaluation report (BER) will be placed before the Selection & Rate Contracting Committee, MCC for its approval in the best public interest; and
11. The Selection and Rate Contracting Committee, at its discretion as per prevailing KPPRA Rules may decide to select for rate contracting, or otherwise, any quoted item mentioned in this draft comparative technical evaluation report (BER) for the current bidding competition 2018-2019.
